Dinosaur hatchlings count toes, teeth, tails & more.

This bilingual non-fiction concept book displays numbers, dinosaur body-parts and equal presentations of both English & Spanish. Wee ones will wag their tails and flap their wings as they sing along with the new counting jingle. Shared readers will be able to tout their terrific talents naming each.

Furtively-fitted dinosaur names and bilingual pronunciations included

A portion of profits on book sales will be given to provide care to animals in need.

Lion, tiger or tuxedo, oh my!

Momma Said I Could Have a Cat is the bilingual story of a child trying to decide which cat she wants to bring into her home. Follow along in this heartwarming adventure and discover unique characteristics in a variety of wildcats in their natural environment. Everyone will sigh with a smile when they discover the one she finally chooses.

Includes habitat maps

Selfie anyone?

So Big and Little Bit™ (a Sasquatch & frog series) have always been friends, never questioning why. This bilingual picture book playfully teaches the differences between mammals and amphibians. Parents, kids, teachers and librarians all enjoy the heartfelt discoveries of how these best friends differ. Kids will ask the question, "Does difference really matter"?
